25X1A Dispatch [redacted]

25X1A 1. The request for reimbursement of school tuition for dependents of the [redacted] field mission is not favorably considered with the exception
25X1A of the [redacted] personnel assigned to that station.

2. KUBARK, in common with other OSS/OKE agencies, has no general statutory authority to reimburse employees tuition expenses incurred in foreign areas in behalf of dependent children. While KUBARK has special authority to expend funds for purposes necessary to carry out its functions, this latter authority is obviously not designed to alleviate routine administrative difficulties. It is, therefore, the policy of this organization to disapprove requests of this nature unless it can be positively shown that such disapproval would have an adverse effect on operational security.

3. The aforementioned paragraph refers only to KUBARK employees.
25X1A All [redacted] personnel will be reimbursed according to the established policy of their parent organization.
